Research in Agricultural Sciences

AIMS AND SCOPE

Research in Agricultural Sciences is a scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is official publication of the Atatürk University Faculty of Agriculture and published tri-annually on January, May and September. The publication languages of the journal are Turkish and English.

Research in Agricultural Sciences aims to contribute to the science by publishing high quality publications in all fields of agricultural sciences. The journal publishes original articles, compilations, technical notes and letters to the editor.

The scope of the journal includes but not limited to horticultural crops, plant protection, biosystems engineering, food engineering, forestry engineering, landscape architecture, aquaculture, agricultural economics, agricultural mechanization, agricultural structures and irrigation, field crops, soil, plant physiology, breeding and genetics, cultivation technique and horticultural crops.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

Research in Agricultural Sciences is currently indexed in Web of Science-Zoological Record, DOAJ, CABI, EBSCO, ProQuest, MIAR, DRJI, CNKI, and TÜBİTAK ULAKBİM TR Dizin.

All expenses of the journal are covered by the Atatürk University. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at www.agriculture-ataunipress.org. The journal guidelines, technical information, and the required forms are available on the journal's web page.

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the Atatürk University Faculty of Agriculture, editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Open Access Statement

Research in Agricultural Sciences is an open access publication, and the journal's publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at www.agriculture-ataunipress.org.
